Bettendorf's summer tennis program will be managed by Dan Patrick, our new Tennis Director at the Life Fitness Center. Dan has been a U.S.P.T.A. teaching tennis professional for over 20 years. Prior to teaching at the Life Fitness Center, Dan taught at the Quad-City Tennis Club in Moline, Illinois. Dan also has been the Tennis Director of very successful summer tennis camps here locally for over 20 years on the Illinois side but hopes to bring his expertise over to the Iowa side of the river.

This summer, in addition to last year's outdoor tennis lesson schedule, we have added NEW adult and junior summer tennis programs! Additionally, both private and semi-private lessons will be available by appointment with our teaching staff. The 2017 schedule will include a Junior "Summer Kick-Off" camp at the beginning of the summer as well as a strong emphasis on educating parents/students as to additional summer tennis opportunities for those players who are looking for that "NEXT" step in their tennis development or would just like to play more. Examples include local junior tennis tournaments, 10/Under Smashers Orange/Green ball tournaments, and the local Junior Grand Prix events.

Adults will also have the opportunity for additional times to play this summer during the week in the evenings and on the weekends. Adaptive tennis programs for wheelchair tennis and Special Olympics are also available.
